1. Complete information is required from the client, upfront.
2. Our timeline for completion of a basic website is 1 month, and for a business and E-commerce website, 2 months as long as information is provided in full.
3. If the timeline goes beyond the stipulated time because of lack of complete information from the client, an extra charge of K2000 per month will be required.
4. If the timeline goes beyond the stipulated time while full information has been provided by the client, we will take responsibility.
5. We require 50% upfront payment before work begins. Except for extra charges which will be paid upfront in full.
6. The prices above are for 10 pages. There will be extra charges for extra pages, i.e K500 per page for Basic websites, K800 per page for Business Websites and K1000 per page for E-commerce Websites.
7. The scope of work should be clearly defined, including what features and functionalities are included in the project and what is excluded. Any changes or additions to the scope of work should be subject to additional fees.
